

Advice for transferring money from abroad

Advice for receiving international fund transfers into Thailand

International fund transfers to GSB recipient's accounts can be made from banks worldwide. The sender must notify the sender's bank not to convert the currency to Thai Baht and to transfer money in the currency provided by the Bank. The available currencies for transfers are US Dollar (USD) , Euro (EUR) , British Pound Sterling (GBP) , Japanese Yen (JPY) and Chinese Yuan (CNY).

By providing the following required information to the sender's bank:

Bank name: Government Savings Bank

Bank SWIFT Code: GSBATHBK

Account number of the receiver:

Account name of the receiver:

Purpose of the transfers:

Branch name:

Bank Address:
